Budget Opening Required: ☐

ISSUE:

Award Contract for the 6400 West Storm Drain Project.

SYNOPSIS:

Lowest responsible bid was received by R & D Excavating, LLC for the amount of \$127,249.00.

BACKGROUND:

The project is located on 6400 West, extending from 3500 South to 3270 South.

Bids were opened for the project on February 9, 2010. A total of thirty-one (31) bids were received. The project consists of installation of curb and gutter and asphalt to improve the intersection at 3500 South, installation of a storm drain line consisting of reinforced concrete pipe and cleanout boxes, and other minor tie-ins to the existing storm drain system, and other work associated with storm drain work.

This project was originally bid and awarded to Nichols Development in the amount of \$153,112.12 during the Summer of 2009. The contract was mutually rescinded by both parties after Nichols failed to start the project in a manner that would allow completion before winter weather.

RECOMMENDATION:

Award the contract to R & D Excavating, LLC for the amount of \$127,249.00.
